FROM THE PASTOR'S CORNER

2nd Sunday of Lent, Year "C" The Transfiguration of Jesus

Every Sunday morning I take a light jog around a park near my home. There's a lake located in one corner of the park. Each time I jog by this lake, I see the same elderly woman sitting at the water's edge with a small metal cage sitting beside her.

This past Sunday my curiosity got the best of me, so I stopped jogging and walked over to her. As I got closer, I realized that the metal cage was in fact a small trap. There were three turtles, unharmed, slowly walking around the base of the trap. She had a fourth turtle in her lap that she was carefully scrubbing with a spongy brush.

"Hello," I said. "I see you here every Sunday morning. If you don't mind my nosiness, I'd love to know what you're doing with these turtles."

She smiled. "I'm cleaning off their shells," she replied. "Anything on a turtle's shell, like algae or scum, reduces the turtle's ability to absorb heat and impedes its ability to swim. It can also corrode and weaken the shell over time."

"Wow! That's really nice of you!" I exclaimed. She went on: "I spend a couple of hours each Sunday morning, relaxing by this lake and helping these little guys out. It's my own strange way of making a difference."

"But don't most freshwater turtles live their whole lives with algae and scum hanging from their shells?" I asked.

"Yep, sadly, they do," she replied. I scratched my head. "Well then, don't you think your time could be better spent? I mean, I think your efforts are kind and all, but there are fresh water turtles living in lakes all around the world. And 99% of these turtles don't have kind people like you to help them clean off their shells. So, no offense... but how exactly are your localized efforts here truly making a difference?"

The woman giggled aloud. She then looked down at the turtle in her lap, scrubbed off the last piece of algae from its shell, and said, "Sweetie, if this little guy could talk, he'd tell you I just made all the difference in the world" (Marc Chernoff).

Just as the woman's kindness made a difference in the life of the turtle on her laps, so did the experience of the transfiguration make a difference in the lives of the apostles. The transfiguration was a theophany – the revelation of God. Nothing short of a theophany was needed to empower the apostles to overcome the scandal of the cross.

In the Jewish world view, the mountain top is believed to be a place of encounter with God. Moses received the Ten Commandments from God on top of Mount Sinai. When the life of Elijah was threatened by Jezebel, he ran to the mountain where he hoped to encounter God and he did encounter God, not in a storm or earthquake or fire but in the whisper of a gentle breeze.

As it was for Moses and Elijah, the transfiguration event happened at a time when the "Jesus project" – "establishing the kingdom of God" was looking like a colossal failure. The plot to kill Jesus was ripe and Jesus seems to be doing nothing about it. The apostles were in awe and their feeling was close to reaching a point of despair – lack of faith in God and in man. Jesus needed to do something radical to build up the faith of the apostles.

At this lowest ebb in the life of the apostles, Jesus took Peter, James and John to the mountain to reveal His glory. The transfiguration is unique because Jesus did not go to the mountain to receive a revelation, rather, Jesus himself is revealed as the Son of God, Messiah and God.

During the transfiguration, the true identity of Jesus was revealed to the apostles and to the world. In their lifetime, Moses and Elijah desired to see the face of God but could not see it. Now, on the mountain of transfiguration they were able to behold the face of God. From the voice of the Father "This is my chosen Son; listen to him" we come to know that Jesus is neither Moses nor Elijah. Moses was the law giver but Jesus is the fullness of the law which is love. Love of God and neighbor is the central message of Jesus to the world. For, God is love and anyone who lives in love, lives in God and God lives in him/her.

Another great figure that appeared during the transfiguration was Elijah. Elijah was the greatest prophet in Israel. Scripture has it that Elijah did not die but went body and soul to heaven, and it is believed that Elijah must return before the messiah comes. On the mountain, God makes it clear to the apostles that Jesus is not Elijah but the fullness of prophecy in Israel. All that was spoken by the prophets find their fulfillment in Jesus.

Coming to know and believe that Jesus is the son of God and His death on the cross is not a scandal but a fulfillment of prophecy and armed with this mystical truth, the apostles are now willing to return to the world with Jesus. They are willing to suffer and die with Him, knowing that death is no longer the end but a means to an end which is union with God.

The transfiguration of Jesus on the mountain has both a temporal/ physical and metaphysical dimensions to it. During the transfiguration, the body of Jesus was transfigured into dazzling white, leading to a spiritual transformation when God makes enlivened the human spirit and empowered it to trust God in all things and above all things.

The transfiguration experience thus provides for the apostles a firsthand experience of the person of Jesus the son of God. Having a foretaste of the glory that is ours for being faithful followers of Jesus, the apostles will go on to live their lives for the glory of God. God is faithful. God does not abandon His own people. It is by aligning our will to the will of God that we come to merit the same glory that awaits Jesus.

On our part as a pilgrim people on the journey of faith, it is by carrying our cross daily to follow Jesus that we shall come to share in the glory of the resurrection on Easter Sunday.

Did you know?

Good ministry occurs when a person establishes and respects healthy boundaries with the people he or she is trying to serve. Those who work in ministry have to be aware of healthy boundaries and what is and is not appropriate for these scenarios, because the risk of violation can cause serious harm. Good boundaries yield healthy relationships.

For more on how to establish boundaries in ministry, request a copy of the VIR-TUS® article “Preserving boundaries in ministry” at lacatholics.org/did-you-know/.

UNA VISIÓN DE DIOS

¿Alguna vez has tenido una visión de Dios? Quizá percibiste la presencia de Dios en un momento tranquilo de oración, en una conversación amable con un ser querido o en una situación difícil que se resolvió inesperadamente. En el Evangelio de hoy, Pedro, Santiago y Juan tuvieron en la montaña una visión de la gloria de Cristo, cuando Jesús se transfiguró ante ellos. Abram puso su fe en Dios y vio el poder de Dios en una maravillosa señal de amor de alianza. Tenemos la promesa de la vida eterna con Dios en el cielo. Esta promesa trae consigo misma responsabilidad, como pueblo estamos llamados a vivir en el mundo la vida misma de Cristo. La Cuaresma es el tiempo perfecto para resolver y escuchar más atentamente al Señor y seguir los caminos de Dios, con la seguridad de que, al hacerlo ponemos nuestra fe en el Dios único, verdadero y fiel.

El buen ministerio ocurre cuando una persona establece y respeta límites saludables con las personas a las que está tratando de servir. Quienes trabajan en el ministerio deben ser conscientes de los límites saludables y de lo que es y no es apropiado para estos escenarios, porque el riesgo de violación puede causar daños graves. Los buenos límites producen relaciones saludables. Para obtener más información sobre cómo establecer límites en el ministerio, solicite una copia del artículo de VIRTUS® en inglés, "Preserving boundaries in ministry" (Preservando los límites en el ministerio) en lacatholics.org/did-you-know/.

Graduate Program In Pastoral Ministries

The Santa Clara University's Graduate Program in Pastoral Ministries is committed to assisting parishes at every level of faith formation and pastoral ministries with its numerous programs. We wanted to let you know that we are **currently offering 50% tuition scholarship** to those working in parish ministries.

Pope Francis called on catechists and all pastoral ministers to "pray and think creatively about a catechesis centered on kerygma, which looks to the future of our communities, so that they may be ever more rooted in the Gospel, communities that are fraternal, and inclusive." At the heart of kerygma is a person and ministry of Jesus Christ. The new "ministry of Catechetics," in collaboration with the ordained minister and under his guidance, seeks to proclaim and transmit the faith and provide opportunities to encounter Christ present in person, the family and in the Christian community. We are here to help DREs, Catechists, and Youth and Young Adult Ministers develop a ministry that is grounded in Catholic theology and explores opportunities to encounter Christ in one another. Students and alumni of our programs speak of how their experiences and learnings from classes and projects meet the real needs of the communities in which they serve.

Our mission is to collaborate with and support parishes to form ministers that meet the emerging needs of their communities. Now more than ever, as we find ourselves impacted by the effects of the pandemic, we are mindful of the very real consequences that parishes face. Considering this reality, we hope that the 50% tuition reduction and our robust course offerings will enhance ministry formation for those on the front lines of parish ministries in Los Angeles diocese. We offer our program at the San Gabriel Regional Office in the hybrid format.

Our Programs:

- Full MA in Pastoral Ministries (7 required courses; 8 electives)
 - o Build your own Emphasis
 - o Catechetical Emphasis
 - o Restorative Justice & Chaplaincy Emphasis
 - o Latina/o Ministries Emphasis
 - o Youth & Young Adult Ministries Emphasis
