# FROM THE PASTOR'S CORNER

## Pentecost Sunday, Year "B" - "Receive the Holy Spirit"

There was once an Italian who decided to sell everything he had to immigrate to the United States during the turn of the 20th century. He barely had enough money to buy a ticket to a ship to the U.S. Because he didn't have much money left, he went and bought some cheese and crackers to eat during the journey to the U.S. So every day, for breakfast, lunch and dinner, he ate his cheese and crackers.

While he was eating this, everybody else was in the ship's dining hall. He could smell the aroma of lobster, filet mignon, cabernet sauvignon and other delicious food. He was getting sick and tired of eating just cheese and crackers.

On the 6th day of the journey, he went to the captain and said, "I'll do anything you want. I'll do the dishes. Clean the bathroom. Sweep the floor. Anything! Just let me have one meal in the dining room."

Then, the captain looking perplexed, said to him, "But sir, the meals are included with the ticket."

... He breathed on them and said to them, "Receive the Holy Spirit" ...  
(Jn 20:22)

The story of creation reveals that God breathed God's Spirit into human beings, setting her apart over and above everything He created. This is the same spirit that is ignited on the day of baptism and later reinforced on the day of confirmation when a baptized believer is anointed and sealed with the seal of the Holy Spirit.

God did not create us to live on cheese and cracker. God gave us the Holy Spirit to be with us, to guide us and to live in us. The Holy Power of the Holy Spirit is not only a part of our faith but also an integral part of our lives for in Him we live, move and have our being. The Holy Spirit is an integral part of being human but like the Italian traveler we need to come to the awareness of the immense power we have as baptized children of God. Yes, the meals are included in the ticket. In baptism we are issued a ticket that includes the meal and it is by living in the spirit that believers come to authentic self-realization and are empowered to live for causes greater than themselves.

On Pentecost Day, people who were speaking different languages due to the crisis of the building of the Tower of Babel are once again transformed to speak one language, which is the language of love. In the Holy Spirit is unity and without the Holy Spirit, human life is disintegrated. It is the Holy Spirit that unites what is divided, heals what is broken, purifies what is defiled and makes whole again what has been ruined by human arrogance and wickedness.

In the Holy Spirit is the power of renewal. We may look different from each other, live in different places, eat different types of food, work and dress differently from each other, yet, the truth remains that each is capable of constant self renewal in mind, heart and body. It is the Holy Spirit that renews and makes human life wholesome and holy. The universal language of the Holy Spirit therefore includes any development, idea or action that promotes and contributes to the civilization of love on earth.

The Holy Spirit becomes the ultimate parameter for measuring the quality of human life on earth. We may eat the same food, shop in the same mall, speak the same language, use the same car and be guided by the same laws, etc. yet the children of God are expected to live above the ordinary. By possessing the Holy Spirit of God the children of God are set apart from the children of this world. People led by the spirit are called to always allow the light of Christ to shine in them, through them and to dwell in them. In this way they are capable of living for God even in a sinful world.

As the disciple of Jesus received the Holy Spirit, their lives were transformed in an exponential manner. Life was no longer business as usual for them. Even while living in a hostile environment, they worked hard to transform the face of the earth not by war or violence but by speaking the language of love.

Even after more than 2000 years, our world is not different from the world of the early Christian community. The church today is still discriminated upon, exploited and suppressed by the powers that be. Like the early Christians, it is by speaking the universal language of love that Christians today could transform and renew the face of the earth and allow the glory of God to reign in human hearts.

The new language that will unite our politically, socially, religiously and economically divided world may not come from another tongue of fire from heaven. That language is already here with us. Our baptismal ticket gives us all it takes to live for God in the world today. Justice and unity happens whenever we imitate the unique example of the Good Samaritan, feed the hungry, clothe the naked, shelter the homeless, stand for the truth, love our neighbor, visit the prisoner, forgive others their trespasses against us, work for peace, etc. No matter the language with which these noble and good deeds are done people everywhere understand and appreciate it.

The great commission to evangelize the world remains a mandate for children of God in every age, place and time. Love is the language of the Holy Spirit and this is the language all baptized children of God are called upon today to embrace. It is a no brainer that acts of kindness and mercy destroy divisions and build bridges between people. Our simple gestures of peace and forgiveness reduce hostility and forge bonds of unity among peoples and nations. Rather than wait for tongues of fire from heaven to fall upon us on this Pentecost day, let us rather reach out in love to all, for only those who speak the language of love are indeed the children of God and the true Pentecost people.

San Josemaría Escrivá nos dice: “Vivir según el Espíritu Santo es vivir de fe, esperanza y caridad. Permitir que Dios se apodere de nuestras vidas y cambie nuestro corazón, para que nos parezcamos cada vez más a él.” Hoy celebramos el don del Espíritu Santo que Dios nos ha dado gratuitamente. El Espíritu Santo es el mismo aliento de Dios y la verdadera fuente de nuestro poder y fuerza. Cuando aceptamos que Dios es el principio y el fin de todas las cosas, nos abrimos a recibir esta poderosa presencia. El Espíritu Santo es quien nos enseña como orar, quien nos impulsa a levantar los ojos al cielo en busca de nuestro Creador y los abre para reconocer los maravillosos dones de la fe, la esperanza y el amor que Dios nos da. El Espíritu Santo es quien nos enseña a entendernos a nosotros mismos, a Dios, a los demás y al mundo. Cuando permitimos que el propio aliento de Dios se apodere de nosotros, nos damos cuenta de que estamos destinados a llegar a ser como Dios y a conocerlo como realmente es. ¡Este ayudante supremo eleva nuestros ojos de lo que está abajo a lo que está arriba y nos da poder para vivir la vida con gozo y una visión más aguda!

Prevenir el abuso infantil es el trabajo de toda nuestra comunidad. La mejor manera de empezar a asumir su parte de este trabajo es a través de aprender los cinco pasos para prevenir el abuso sexual infantil. Aprenda dónde ocurre el abuso infantil y cómo reconocer los signos de abuso y comportamiento depredador. Si no ha pasado por un programa de capacitación VIRTUS®, este es un buen momento para hacerlo. ## SPECIAL COLLECTION

*Priest Retirement Fund*

Next week, we will be holding a special collection in support of retired priests. This collection "...offers a way for us to give back to our Catholic priests who have served us so faithfully. Your contribution will help archdiocesan priests live modestly and peacefully in retirement. Help us offer thanks for their years of devotion to God and our communities. Your gift to the Priest Retirement Fund helps provide a monthly stipend to retired priests of the Archdiocese of Los Angeles. For most priests, this assistance is their only means of support. This helps many senior priests stay well and active in our communities."
